ECU Support Center Opens

In July, the ribbon was cut celebrating the completion of the ECU Support Center in Kingsport, TN. This 60,000 square foot facility was created to facilitate member support and service expansion.

The building is currently occupied by almost 140 staff members and contains space for future growth. Although the only portion of the building that will serve the public is ECU Title & Escrow, members were the reason the building was created.

"It takes hundreds of employees to manage the responsibilities associated with serving over 230,000 members. We have utilized and optimized all of our existing office locations, and expansion was necessary," said Debra Bridwell, SVP Marketing and Facilities of ECU.

Chairman Timothy Hill, State Representative and Chair of the TN Commerce Committee, recently visited Eastman Credit Union. ECU appreciates Chairman Hill's support of TN credit unions.

"The growth of ECU's membership has necessitated this project. We constructed this building for one reason: to continue offering our members the highest level of service to not only meet their needs, but to exceed their expectations" said Olan O. Jones, CEO and president of ECU.
